

FOOD SAFETY

At Training Practical Solutions

Consultancy, our mission is to continuously improve the quality of workplace education and training through actively promoting and applying principles of Practical Solutions.

In recognition of our mission, our objectives are:

- People
- Safety and Equality
- Compassionate and Empowering
- Quality Committed
- Learner Centered
- Industry Engagement

With our extensive experience in training, we aim to support employees towards becoming more technically qualified and proactively contribute to the improvement of their workplace; through sustainability work practices as well as an ongoing culture for continuous learning.

At TPSC, we also encourage and actively participate training programs to support the long term unemployed and those with disabilities to return to the workforce.

FBP10117 Certificate I in Food Processing

QUALIFICATION DESCRIPTION

The qualification is designed for application in a highly supervised context, such as VET in schools, induction to industry, or other equivalent introductory environments.

All work must be carried out to comply with workplace procedures, in accordance with State/Territory food safety, work health and safety and environmental codes, regulations and legislation that apply to the workplace.

WHAT'S IN IT FOR YOUR BUSINESS?

By involving your workforce in FBP10117 Certificate I in Food Processing, your business will benefit as your team will be able to apply relevant continuous improvement tools that will improve their performance and help sustain continuous improvement efforts. This training is beneficial to employers looking to re-skill, upskill or consolidate work experience for potential, new and existing staff members.

TPSC will assist you by tailoring the training to ensure that the outcomes required by your business are achieved through this training.

PRIOR SKILLS, KNOWLEDGE & WORK EXPERIENCE

No occupational licensing, legislative or certification requirements apply to this qualification at the time of publication. This qualification is offered a Non-Traineeship and caters for multi-skilled outcomes as well as roles that include team player functions within any food production environment.

**ACT AS YOU LEARN,
LEARN AS YOU ACT**

ENRICH YOUR EMPLOYABILITY SKILLS

Develop skills, knowledge and abilities that are relevant for your employment success in the food processing industry.

This qualification allows you to achieve nationally recognised competency in effective communication and teamwork, WHS, Food safety including standards and hygiene requirements all which are essential to secure continuous employment in this robust economy.
