

At Training Practical Solutions

Consultancy, our mission is to continuously improve the quality of workplace education and training through actively promoting and applying principles of Practical Solutions.

In recognition of our mission, our objectives are:

- People
- Safety and Equality
- Compassionate and Empowering
- Quality Committed
- Learner Centered
- Industry Engagement

With our extensive experience in training, we aim to support employees towards becoming more technically qualified and proactively contribute to the improvement of their workplace; through sustainability work practices as well as an ongoing culture for continuous learning. At TPSC, we also encourage and actively participate training programs to support the long term unemployed and those e with disabilities to return to the workforce.

MSS20316

Certificate II in Competitive Systems and Practices

MSS20316 Certificate II in Competitive Systems and Practices

ENRICH YOUR EMPLOYABILITY SKILLS

Build on your current skills, knowledge, and abilities that are relevant and helpful. They can help to build on professional confidence, take on more unsupervised responsibilities and contribute to better work practices and processes within your own work area and for the team.

QUALIFICATION DESCRIPTION

This course provides introductory skills and specifies the competencies required to apply competitive systems and practices to a level suitable for application of lean practices to an individual's own role.

This qualification provides the skills needed to improve efficiency in a person's own work role.

COURSE INFO:

- 6 months to 12 months on-the-job training.
- Workplace based projects.
- Monthly support & coaching
- Flexible training schedule.
- No entry requirements
- Skills First funding pending eligibility

To be awarded the MSS20316 Certificate II in Competitive Systems and Practices, competency must be achieved in ten (10) units of competency:

- Four (4) core units of competency
- Six (6) elective units of competency listed below.

A maximum of three (3) electives may be selected from other qualifications in this Training Package, other endorsed Training Packages and accredited courses where those units are available at Certificate II and III. Units chosen should be relevant to the workplace and would normally be drawn from the appropriate sector Training Package, or possible the Business Services Training Package. See www.training.gov.au for further information

Flexible solutions for your personal & professional development

WHAT'S IN IT FOR YOUR BUSINESS?

By involving and engaging your employees in MSS20316 Certificate II in Competitive Systems and Practices, your business stand to benefit from the application of relevant and effective lean tools to improve growth, performance and help to sustain continuous improvement.

This training is beneficial to employers who are looking to up-skill, re-skill and/or consolidate work experience for potential, new and existing staff members.

TPSC will assist you by tailoring the training to ensure that the outcomes required by your business are achieved through this training.

PRIOR SKILLS, KNOWLEDGE & WORK EXPERIENCE

This qualification assumes that a learner has current or past work experience where some operational or technical skills have already been gained. The qualification is not suitable for direct entry from school. This qualification is offered as both a Traineeship or a Non-Traineeship and caters for multi-skilled outcomes as well as roles that include team leader functions within any food production environment.

**ACT AS YOU LEARN,
LEARN AS YOU ACT**

This qualification allows for potential professional growth which is most essential to secure continuous employment in this robust economy.
